

Lesotho crafts catalog

Lesotho is a small country on the south of African continent and its completely surrounded by South Africa. It's the only country in the world that lies all above 1000 meters over sea level. Absolute most of the population of Lesotho is Basotho nation, they have an unique culture and traditions. The local Basotho crafts are very valuable in many countries of the world, because they are great and very unique pieces of art, very hard to find anywhere in the world, both locally and by Internet. C2A Enterprise currently the only company exporting crafts from Lesotho. The most common crafts for Lesotho are straw woven products, mohair clothes, decorations and accessories, cow horn carvings, dolls and jewelry. Check below the photos, prices, our terms and conditions, make any inquiries by email shop@crafts.ec

WE ALSO EXPORT CRAFTS FROM ECUADOR, PERU, RUSSIA AND TIBET.
