## General terms of service:

1) **Product prices and discounts.** We count total order value without shipping price that you order with given catalog without any exception. If you use multiple catalogs of products for ordering products, in most of the cases we will provide you certain corresponding discount on total overall order you make with us, but in order to approve such type of discount, we should review every case separately. Discount is counted on current order you are doing with us, however, if you are returning customer who is permanently making smaller size orders, we may assign you special discount in price that excess the standard discount for the class of your orders. The prices for different classes may change with the time due to different factors.

2) **Order requests.** Send your order request to email [shop@crafts.ec](mailto:shop@crafts.ec) and we will return you corresponding invoice and estimated time when product will be ready. We always have the good amount of products in stock, so we usually send all orders placed with our online shop just within 1-3 business days after receipt of cleared payment. For medium size and big orders placed with given catalog the time of production usually doesn't delay more than 2-5 weeks, but a lot depends on how busy we are with current orders and also on amount of products you order with us.

- 3) **Payment terms and deadlines.** For orders less than US\$2500 value terms of full prepaid apply. In this case delay with shipping usually doesn't takes more than 10-15 days upon reception of the cleared payment, while we always try to send items faster. Deadline for such orders is still 30 calendar days. For orders of \$3000 and more you may choose to pay 50% in moment you confirm order with us and the rest 50% before we send products. For orders with value of US\$5000 and more, upon request we may use escrow service, but you pay any corresponding fees. Deadline for such orders is 60 calendar days, but it may be extended if your order is very big, we warn about any non-standard timeframe before you place order with us. If we surpass deadline with sending of your order, we will add corresponding compensation on your order. In any case compensation value or refund value may not surpass the original value of money you have paid to us.
- 4) **Payment methods.** We accept bank wires, paypal, moneygram, western union, escrow payments. Any other payment methods are subject to discuss. If your order is big, for paypal payments processing fee 5% apply. Escrow payments valid for orders bigger than US\$5000 and you pay corresponding fees. We may use <http://escrow.com> or any other reputable escrow company on your choice. But we may reject using your escrow option if we feel it is not secure enough.
- 5) **Exact items.** With given catalog you can choose exact models and corresponding amounts for the products you are purchasing. However, due to nature of products (handmade) we may not guarantee exactly the same shape, color, size, etc. If you order not exact designs, but just a good variety of mixed designs, in most of the cases we will be able to send your order faster.
- 6) **Custom orders.** Certainly we accept custom orders, such as we can put some specific name or name or the city, etc, on products. But it applies only for orders with class B and C, and additional fee apply for custom type of orders. Please confirm details with us.
- 7) **Final prices.** We don't take any handling fee, so there is no any kind of hidden fees. Price for packing, shipping, and any kind of handling work is included into the price of product. You pay the price of products and exact price of shipping. Shipping price depends on shipping mode you choose, total weight of order and your location. Certainly we will give you estimated shipping price upon reception of order details from you, but the final price will be adjusted in moment of sending.
- 8) **Tax duty.** There are no fees for exportation of products from Ecuador. If the given product and purchased amount of products is subject to any importation taxes in your country, this is your obligation to pay them. Please consult local authorities in your country for details on the subject.
- 9) **Shipping methods.** For small and medium size orders we usually use certified airmail or FEDEX.
- 10) **Pictures of products.** If you would like to see full-size high-quality pictures of the products with corresponding measures, please visit website <http://www.handycraftswholesale.com/> and click on corresponding pictures.
- 11) **Legal contract.** By placing order using this catalog of product you are entering in formal contract with C2A Enterprise, registered in Quito, Ecuador at 2004, registration ID is 1722132345001
